

CT - MRI SOCIETY OF THE PHILIPPINES
ULTRASOUND SOCIETY OF THE PHILIPPINES

2023

JOINT ANNUAL CONVENTION

*USP and CT-MRISP:
Partners in Leading the Way Towards
Innovative Body Imaging*

OCTOBER 19-21 2023

ABOUT THE CONVENTION

The 2023 Joint Annual Convention of the
Ultrasound Society of the Philippines (USP) and
**Computed Tomography & Magnetic Resonance Imaging Society of the
Philippines (CT-MRISP)**
will be held on October 19-21, 2023, with the theme
“USP and CT-MRISP: Partners in Leading the Way Towards Innovative Body Imaging”

The two organizations are subspecialty societies of the
Philippine College of Radiology (PCR), which is a division of the
Philippine Medical Association (PMA).

The organizers bring together both international and home-grown experts as faculty,
prepared a comprehensive academic syllabus
and put together technical exhibitions for the two-day convention.

Developments and updates regarding head and neck imaging as well as ultrasound
techniques will be discussed by speakers, and technology advances and innovations
will be showcased to enhance the learning of experience of the attendees.

2023 JOINT ANNUAL CONVENTION

MALACAÑAN PALACE
MANILA

MESSAGE

I extend my warmest greetings to the **Computed Tomography and Magnetic Resonance Imaging Society of the Philippines** and the **Ultrasound Society of the Philippines** as you hold your **Joint Annual Convention**.

I commend your organizations for the strong commitment that you hold to promote excellence and lifelong learning among our radiologists and other allied health professionals. Thinking of the enhancement of our capabilities that this occasion brings, I am certain that your efforts will truly help elevate the healthcare sector and significantly contribute to our shared goal of creating a strongly rooted, comfortable, and secure life for all Filipinos.

I thus recognize and welcome each of you as you gather and discuss solutions to your concerns as well as find new ways and technologies that can be adopted by our country's healthcare sector. As this administration remains fervent in investing in our citizens' well-being, may you also keep striving to improve your practice so that our people can receive more efficient, effective, and affordable services.

Let this time be also filled with meaningful discourse, innovative ideas, and inspiring networks that will empower you moving forward. As you continue to collaborate with one another and partner with the government, may you be leaders who promote growth and development in your respective workplaces and in our society as a whole.

Congratulations and I wish you a productive assembly.

FERDINAND R. MARCOS JR.

MANILA
19 October 2023

THE PRESIDENT OF THE PHILIPPINES

Republic of the Philippines
Department of Health
OFFICE OF THE SECRETARY

On behalf of the Department of Health, I would like to congratulate the Computed Tomography & Magnetic Resonance Imaging Society of the Philippines (CT-MRISP) and the Ultrasound Society of the Philippines (USP) on the success of your Joint Annual Convention with the theme “USP and CTMRISP: Partners in Leading the Way Towards innovative Body Imaging”.

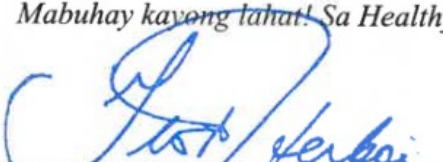

Diagnostic imaging has revolutionized the field of medicine, enabling us to visualize and understand the human body in ways that were once unimaginable. Computed tomography, magnetic resonance imaging, and ultrasound have become indispensable tools in the diagnosis and treatment of various diseases and conditions.

The CT-MRISP and the USP have long been allies of the Department in pursuing the advancement of diagnostic imaging in the country. This is congruent with the Universal Health Care promise which aims to grant Filipinos easy access to healthcare services wherever they may be through primary care.

In the same vein, the DOH also aims to realize UHC by galvanizing innovation within the healthcare sector as prescribed by its *8-point Action Agenda Para sa Healthy Pilipinas*, a sectoral agenda that lays down concrete strategies to realize UHC in the country.

With this, I would like to thank our hardworking professionals, like yourselves, who continue to push boundaries and innovate within your respective fields. Through your continued support, we will be able to make a difference in the lives of our patients and contribute to the overall improvement of healthcare in our country.

Mabuhay kayong lahat! Sa Healthy Pilipinas... bawat buhay mahalaga!

TEODORO J. HERBOSA, MD
Secretary, Department of Health

2023 JOINT ANNUAL CONVENTION

MESSAGE

Warmest Greetings to all the officers and members of the Computed Tomography & Magnetic Resonance Imaging Society of the Philippines and Ultrasound Society of the Philippines (Sub-specialty societies of the Philippine College of Radiology) as it holds its Joint Annual Convention with the theme “USP and CT-MRISP; Partners in Leading the Way Towards Innovative Body Imaging”.

The PMA lauds all your initiatives in providing your members with adequate opportunities to keep in step with the new trends and the translation of scientific advances.

On behalf of the National Officers and Board of Governors, I commend you all for the collective efforts in working hard towards the success of the organization. Indeed, if we dream together, work together, reaching our goals will not be far beyond.

Let us always remember that we are ONE PMA for a Healthy Philippines!

Tayo ang “Nagkakaisang PMA: Ang Pamana ng Pilipinong Manggagamot sa Bagong Henerasyon!”

Mabuhay ang PMA at Mabuhay ang Computed Tomography & Magnetic Resonance Imaging Society of the Philippines and Ultrasound Society of the Philippines!

Maria Minerva P. Calimag, MD, MSc, PhD

President (2023-2024)

Philippine Medical Association

2023 JOINT ANNUAL CONVENTION

MESSAGE

Greetings to all!

First of all, I would like to congratulate the CT-MRISP and the USP for this much anticipated joint annual convention. These two subspecialty societies of the PCR have been growing at an exponential rate. A few years ago, only a handful of fellows in training take the board exams of these subspecialty societies. But now we get to see them in the hundreds. The increase in the membership is also a reflection of the increasing demands from the healthcare system, and the increasing relevance of medical imaging in the welfare and well-being of our patients. It is also timely that these two societies have been very vigilant in conducting numerous learning activities, promoting and further improving the practice of CT and MRI, and of ultrasound. These activities- in the form of webinars and workshops, whether online or face-to-face - not only refresh our skills and knowledge, but also give us insights of the future of medical imaging and where we are heading. Thus, because of these we become more equipped to face the challenges even before the technology becomes part of the usual medical practice. I hope that these activities be repeated next year and every year to come.

Our practice has been exposed to many triumphs and trials. Initially it would seem that different medical specialties are encroaching into our practice. Perhaps we should look at this scenario in a different light and consider this as a challenge to improve and secure our practice. This should also be a wake up call for all of us, to be open to the needs of our clients whether they are our referring physicians or our patients in need. Let us practice to be the “physician’s physician”. We should listen and provide their needs for the betterment of the patients’ wellbeing. We are no longer the Radiologist who thrive in the dark and in isolation, we are now the Radiologist who enlighten our colleagues and help them discern the pixelated and grainy images of their clinical dilemma.

Imarzen V. Elepaño, MD, FPCR

President

Philippine College of Radiology

2023 JOINT ANNUAL CONVENTION

MESSAGE

The Computed Tomography & Magnetic Resonance Society of the Philippines, together with our co-host, the Ultrasound Society of the Philippines, is pleased to have created another noteworthy academic engagement that required time, effort, and discipline to plan. Since we were all working together, the groundwork was easier to complete, thanks to the input of all the stakeholders. The schedule for this year comprises subjects concentrating on joint imaging advancements, oncologic patients, and gastrointestinal regions. Also included were the use of uniform nomenclature, organized reports, and classification for the various organ-based evaluations. We sincerely appreciate the Korean Society of Radiology's generosity in sending representatives and subject-matter experts so that we may benefit from their knowledge and experiences.

I'd like to extend a warm welcome to all of you at our 2023 Joint Annual Convention, including the faculty, participants, visitors, sponsors, and industry partners. We are glad to have you here and are looking forward to seeing you. We are so eager to meet everyone after ending our absence due to the mandatory pandemic limitations that we can hardly contain our excitement. We learned how vital it is to interact face-to-face with each other through our personal interactions at conventions like this.

Thank you for coming and Mabuhay! Let's all enjoy ourselves while learning to our hearts' content.

A handwritten signature in black ink, appearing to read 'Eugene C. Dy'.

Eugene C. Dy, MD, FPCR

President

CT-MRI Society of the Philippines

2023 JOINT ANNUAL CONVENTION

MESSAGE

Greetings to all!

As the saying goes, there is always a rainbow after the rain.

After three years of the COVID-19 pandemic, I am glad to welcome you back to our face-to-face convention, which we have surely missed. Virtual events may have been convenient, but nothing can replace physical interaction with speakers, colleagues, and friends.

This year's theme, USP and CT-MRISP: Partners in Leading the Way Towards Innovative Body Imaging, encapsulates our essential role in the diagnosis and treatment of various pathologies. Especially at this time when there are leaps and bounds in terms of technological advancements.

To achieve this goal, the men and women behind this event meticulously prepared a productive three-day event, inviting local and international speakers to tackle the basic and advanced concepts of body imaging.

We are also incredibly grateful to the Korean Society of Radiology for being this year's partner. Certainly, their experience in body imaging can help us improve and innovate how we deliver healthcare services to our fellow Filipinos.

We would also like to express our gratitude to the participating industrial sponsors for partnering with us as we bring back the tradition of face-to-face conventions. With you by our side, this momentous occasion has come to fruition.

On behalf of the organizing committee, welcome back and we pray that you maximize your experience during the convention. We are ecstatic to see you again!

Ma. Cartrini O. Cruz, MD, FPCR

President

Ultrasound Society of the Philippines

2023 JOINT ANNUAL CONVENTION

MESSAGE

Warmest greetings to all!

The CT-MRISP and USP Joint Annual Convention 2023 warmly welcomes you.

This year's theme "USP and CT-MRISP: Partners in Leading the Way Towards Innovative Body Imaging" opens us to advances in medical imaging which has elevated the diagnosis of countless diseases to a higher, more accurate level resulting in better health outcomes. Such innovations however would not have been possible without the basics of diagnostic imaging that utilizes the dynamic modalities namely CT-MRI and Ultrasound. The fusion of the foundation and innovation of CT/MRI and Ultrasound imaging will be discussed in details by renowned radiologist-speakers from both the international and local arena.

The "come back" of this 3-day face to face convention this year re-ignited and made even stronger the bond among fellow specialists in the field of imaging, our industrial partners, trainees and allied health delegates. This year's convention brings a higher level of excitement as we once again reconnect in person, with the Korean Society of Radiology as this year's convention partner. The scientific committee and the rest of the organizing committees have made the programme more informative and engaging, one from which vast learning can transpire.

Once again, on behalf of the organizing committee, I wish everyone a fun and fruitful learning experience in this year's face to face Joint Annual Convention of the CT-MRI and Ultrasound Society of the Philippines! Mabuhay tayo!

A stylized handwritten signature in black ink.

Rico V. Gacutan, MD, FPCR

Convention Chair

CT-MRI Society of the Philippines

2023 JOINT ANNUAL CONVENTION

MESSAGE

Greetings to all!

As we now shift from several years of purely virtual meetings, to our usual traditional live conferences for this year's Joint annual convention, we are but delighted to welcome each other, see old friends, meet new ones, now, more than ever with more enthusiasm as we interact face to face in these 3 days of learning, discussing and socializing.

As we go through these scientific sessions, the emphasis is now turned over to us in our role in the diagnosis and treatment of various pathologies.

To keep abreast in the latest changes in our field of expertise especially the newest and innovative technologies, the committee have lined up topics and issues to be addressed by our local and international speakers touching on multimodality approach and correlation with emphasis on pathologies of the liver, lungs, gastro intestinal tract among others and an in-depth discussion of several important reporting and data system which we term as "all"RADS.

Within this endeavor, we would like to extend our heartfelt thanks and appreciation to the ...

- ☐ *KSR, Korean Society of Radiology, being our generous long-time colleague, education provider and partner*
- ☐ *Our local gurus and expert on their respective fields*
- ☐ *Our generous, supportive and untiring industrial partners*

We all ardently greet and welcome you to this year's convention. May we always continue to interact and learn from each other.

"Anyone who stops learning is old, whether at twenty or eighty. Anyone who keeps learning stays young"

- Asan Medical Center, College of Medicine of Ulsan University

2023 JOINT ANNUAL CONVENTION PLENARY LECTURER

LUCKY R. CUENZA, MD

Education and Training

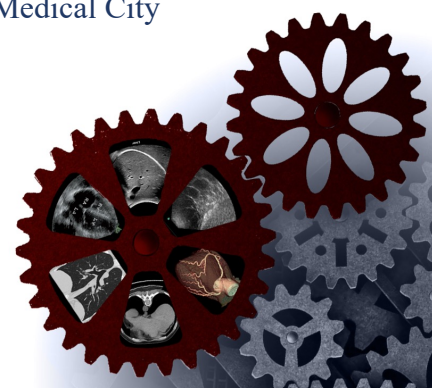

- Doctor of Medicine, University of Santo Tomas
- Internal Medicine, University of Santo Tomas Hospital
- Adult Cardiology, Philippine Heart Center
- Cardiac Rehabilitation, Philippine Heart Center
- Clinical Observership in Sports Cardiology, Institute for Exercise and Environmental Medicine, University of Texas Southwestern, Dallas, Texas USA
- Interventional Cardiology, National Heart Center Singapore

Society Affiliation and Positions

- Diplomate and Fellow of the Philippine College of Physicians
- Diplomate and Fellow of the Philippine College of Cardiology
- Fellow of the Cardiac Rehabilitation Society of the Philippines
- Fellow of Philippine Society of Cardiac Catheterizations and Interventions
- Fellow of the American College of Cardiology
- Head: ManilaMed Sports and Exercise Medicine Center
- Sports Cardiologist MVP Sports Institute Cardinal Santos Medical Center
- Training Officer Cardiac Rehabilitation Section The Medical City
- International Council on Cardiovascular Prevention and Rehabilitation Steering Committee Member for Research and Registry WHO Western Pacific Liaison
- Philippine Heart Association Council on Cardiac Rehabilitation
- PHA Council on Cardiopulmonary Resuscitation
- Philippine Society of Cardiovascular Catheterizations and Interventions (PSCCI)
- Cardiac Rehabilitation Society of the Philippines (CARESP)
- International Associate Member American College of Cardiology Section of Sports and Exercise Cardiology
- European Association of Cardiovascular Prevention and Rehabilitation
- European Association of Percutaneous Cardiovascular Interventions
- International Steering Committee Member Research Registry of International Council on Cardiovascular Prevention and Rehabilitation

Hospital Affiliation

- ManilaMed Sports and Exercise Medicine Center
- MVP Sports Institute Cardinal Santos Medical Center
- Training Officer Cardiac Rehabilitation Section The Medical City
- St. Lukes Medical Center
- Philippine Heart Center

2023 JOINT ANNUAL CONVENTION PLENARY LECTURER

BERLIN MELISSA S. GO, MD

Education and Training

- Doctor of Medicine, University of the Philippines - Manila
- Residency Training in Diagnostic Radiology, Makati Medical Center
- Fellowship Training in Ultrasound, University of the Philippines - Manila
- Fellowship Training in CT and MRI, University of the Philippines - Manila

Society Affiliation and Positions

- Member, Philippine College of Radiology
- Member, CT-MRI Society of the Philippines
- Member, Ultrasound Society of the Philippines
- Associate Professor, San Beda University

Hospital Affiliation

- Borough Medical Center
- Navotas City Hospital
- Seamen's Hospital
- Accuvision Diagnostic Center

2023 JOINT ANNUAL CONVENTION PLENARY LECTURER

JOSEPH DOMINIC N. LAGMAN, MD

Education and Training

- Doctor of Medicine, University of the East Ramon Magsaysay Memorial Medical Center
- Residency Training in Diagnostic Radiology, Philippine Heart Center
- Fellowship Training in Ultrasound, Philippine Heart Center
- Fellowship Training in CT and MRI, Philippine Heart Center

Society Affiliation and Positions

- Member, Philippine College of Radiology
- Member, CT-MRI Society of the Philippines
- Member, Ultrasound Society of the Philippines
- Member, Philippine Thoracic and Cardiovascular Radiology Society
- Member, Philippine Society for Abdominal Radiologists

Hospital Affiliation

- Philippine Heart Center
- Lung Center of the Philippines
- Holy Trinity Medical Center
- Quezon City General Hospital
- JBLMGH

2023 JOINT ANNUAL CONVENTION PLENARY LECTURER

BRYLAN P. PANER, MD

Education and Training

- Doctor of Medicine, University of Santo Tomas Faculty of Medicine and Surgery
- Residency Training in Diagnostic Radiology, National Kidney & Transplant Institute
- Clinical Fellowship in Interventional and Vascular Ultrasound, Computed Tomography, and Magnetic Resonance Imaging, National Kidney & Transplant Institute
- Recipient of ASDIR Grant, Asian-Oceanian Seminars on Diagnostic and Interventional Radiology (ASDIR), Adelaide, Australia (2003)

Visiting Fellowship Programs:

- Gastrointestinal & Genitourinary Imaging, Massachusetts General Hospital, Boston, USA
- Breast and Prostate MRI, Department of Oncologic Imaging, National Cancer Centre, Singapore,
- Oncologic Imaging, Department of Oncologic Imaging, National Cancer Centre, Singapore

Society Affiliation and Positions

PRESENT POSITIONS

- Training Officer, Abdominal Imaging Subspecialty Fellowship Program, Institute of Radiology, St. Luke's Medical Center, July 1, 2022 to present
- MRI Section Head, St. Luke's Medical Center, Global City, January 1, 2021 to present
- Assistant professor I, St. Luke's Medical Center College of Medicine, Academic year 2021 to present

PAST POSITIONS

- Officer in charge, Residency Training, St. Luke's Medical Center, Global City, January 2022 to March 2022
- Board Examiner, Philippine Board of Radiology, February 17, 2018 to February 26, 2021
- Founding member and board member, Philippine Society of Abdominal Radiology

MEMBERSHIPS / AFFILIATIONS

- Fellow, Philippine College of Radiology (since February 16, 2007)
- Fellow, CT-MRI Society of the Philippines (since February 16, 2007)
- Fellow, Ultrasound Society of the Philippines (since October 6, 2006)
- Diplomate, Philippine Board of Radiology (January 21, 2006)
- Member, Philippine Medical Association
- Member, University of Santo Tomas Medical Alumni Association

Hospital Affiliation

- St. Luke's Medical Center – Global City

2023 JOINT ANNUAL CONVENTION PLENARY LECTURER

TAMARA LOUISE J. RAZON-CUENZA, MD

Education and Training

- Doctor of Medicine, University of Santo Tomas Faculty of Medicine and Surgery
- Radiology Residency, The Medical City Hospital, CT-MRI Fellowship, Makati Medical Center
- Visiting MRI Fellowship, NYU Langone Hospital, New York City
- Ultrasound Fellowship, Makati Medical Center
- Honorary Fellow in Advanced Cardiac Imaging, Barts' Heart Centre, London, UK
- Observational Attachment in Cardiac CT, National Heart Centre Singapore London Cardiac CT Academy

Society Affiliation and Positions

- Fellow, Philippine College of Radiology
- Fellow, CT-MRI Society of the Philippines
- Fellow, Ultrasound Society of the Philippines
- Member, Board of Trustees of the CT-MRI Society of the Philippines
- Co-Chair, Fellowship Training Council of the CT-MRI Society of the Philippines

Hospital Affiliation

- The Medical City Clark
- Medical Center Manila
- Ospital ng Makati
- Delos Santos Medical Center

2023 JOINT ANNUAL CONVENTION PLENARY LECTURER

JOHN MICHAEL C. OPEÑA, MD

Education and Training

- Doctor of Medicine, University of the Philippines - Manila
- Residency Training in Diagnostic Radiology, National Kidney and Transplant Institute
- Fellowship Training in Ultrasound Imaging and CT-MRI, Philippine Heart Center

Society Affiliation and Positions

- Member, UP Medical Alumni Society
- Member, Philippine Medical Association
- Member, Manila Medical Society
- Philippine Heart Center Alumni Association
- Fellow, Philippine College of Radiology
- Fellow, CT-MRI Society of the Philippines
- Fellow, Ultrasound Society of the Philippines
- Member, Philippine Society of Abdominal Radiology

Hospital Affiliation

- Philippine Heart Center
- Lung Center of the Philippines

2023 JOINT ANNUAL CONVENTION PLENARY LECTURER

MICHAEL SALVADOR D. CABATO, MD

Education and Training

- Residency Training in Diagnostic Radiology, University of the Philippines – Philippine General Hospital, Manila
- Fellowship Training in CT-MRI and Ultrasound, National Kidney and Transplant Institute
- Fellowship Training in Interventional Radiology, University of the Philippines – Philippine General Hospital, Manila

Society Affiliation and Positions

- Fellow, Philippine College of Radiology
- Fellow, CT-MRI Society of the Philippines
- Fellow, Ultrasound Society of the Philippines
- Fellow, Philippine Society of Vascular and Interventional Radiology

Hospital Affiliation

- National Kidney and Transplant Institute
- ManilaMed: Medical Center Manila
- Providence Hospital
- Philippine Children's Medical Center
- Zamboanga Doctors Hospital
- Zamboanga City Medical Center

2023 JOINT ANNUAL CONVENTION PLENARY LECTURER

JOHN FRANCIS TAN LEE HOK, MD

Education and Training

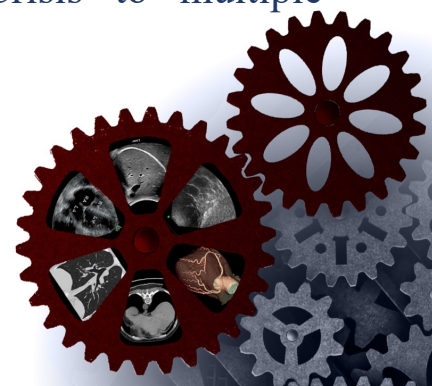

- Doctor of Medicine, Ateneo School of Medicine and Public Health
- Residency in Ophthalmology, St. Luke's Medical Center

Society Affiliation and Positions

- Diplomate, Philippine Board of Ophthalmology

Others

- Has given Webinars on topics pertaining to “Maintaining Financial Well-being in times of Crisis” to multiple societies and organizations.
- Given talks on topics pertaining to “Personal Finance and Investing” to multiple societies and hospitals.

2023 JOINT ANNUAL CONVENTION PLENARY LECTURER

MARY NEL B. BOLANTE-BACALSO, MD

Education and Training

- Doctor of Medicine, University of Santo Tomas
- Residency Training in Diagnostic Radiology, St. Luke's Medical Center – Quezon City
- Fellowship Training in Ultrasound, University of Perpetual Help Dalta
- Fellowship Training in CT and MRI, St. Luke's Medical Center – Quezon City

Society Affiliation and Positions

- Member, Philippine College of Radiology
- Member, CT-MRI Society of the Philippines
- Member, Ultrasound Society of the Philippines
- Department Research Coordinator, Ospital ng Makati

Hospital Affiliation

- Ospital ng Makati
- Floridablanca Doctors Hospital, Inc.
- ACE San Jose Del Monte Medical Center
- Escholastica Romero District Hospital
- San Mateo Medical Center
- iScan Diagnostic Center

2023 JOINT ANNUAL CONVENTION PLENARY LECTURER

KATLEYA TERESA A. GIRONELLA-MANLAPAZ, MD

Education and Training

- Doctor of Medicine, FEU-NRMF Institute of Medicine
- Residency Training in Diagnostic Radiology, St. Luke's Medical Center - Quezon City
- Fellowship Training in Ultrasound, St. Luke's Medical Center - Quezon City
- Fellowship Training in Breast Imaging, St. Luke's Medical Center - Quezon City

Society Affiliation and Positions

- Member, Philippine College of Radiology
- Member, Ultrasound Society of the Philippines
- Member, Diagnostic Breast Imaging Society of the Philippines
- Selection Committee Member, Ospital ng Makati
- Board Examiner, Philippine Board of Ultrasound

Hospital Affiliation

- St. Luke's Medical Center
- Ospital ng Makati
- The Medical City, Clark
- Lung Center of the Philippines
- Quezon City General Hospital

2023 JOINT ANNUAL CONVENTION PLENARY LECTURER

CELESTE B. BALDONADO, MD

Education and Training

- Doctor of Medicine, University of the Philippines
- PhD in Clinical Pathophysiology, University of Navarre
- MM Hosp Admin, Philippine Christian University
- Residency Training in Diagnostic Radiology, Philippine Heart Center
- Fellowship Training in Ultrasound, De La Salle University Medical Center
- Fellowship Training in CT and MRI, Cardinal Medical Center
- Fellowship Training in Breast Imaging, Cardinal Medical Center

Society Affiliation and Positions

- Member, Philippine College of Radiology
- Member / Board of Trustees, Ultrasound Society of the Philippines
- Member, CT-MRI Society of the Philippines
- Member, Diagnostic Breast Imaging Society of the Philippines

Hospital Affiliation

- Philippine Heart Center
- Ospital ng Makati
- First Philippine Imaging and Diagnostic Center

2023 JOINT ANNUAL CONVENTION OFFICIAL CONVENTION PROGRAMS

2023 JAC Opening Ceremony

October 19, 2023 (Thursday), 08:00 AM

Invocation

Philippine National Anthem

PCR Hymn

PMA Hymn

Opening Remarks

Dr. Eugene C. Dy

President, CT-MRISP

Dr. Ma. Cartrini O. Cruz

President, USP

Welcome Remarks

Dr. Rico V. Gacutan

Convention Chair, CT-MRISP

Dr. Francis R. Villanueva

Convention Chair, USP

**Message from the
PCR President**

Dr. Imarzen V. Elepaño

President, PCR

Course Overview

Dr. Rico E. Lodronio

Scientific Chair, CT-MRISP

Dr. Michael Rico B. Mesina

Scientific Chair, USP

**Declaration of Opening
of the Convention**

Dr. Eugene C. Dy

Dr. Ma. Cartrini O. Cruz

Master of Ceremony
Dr. Lynette R. Fernandez

2023 JOINT ANNUAL CONVENTION OFFICIAL CONVENTION PROGRAMS

Ribbon Cutting and Official Opening of the Exhibit Hall

October 19, 2023 (Thursday), 10:00 AM

CT-MRISP Annual Business Meeting

October 19, 2023 (Thursday), 05:00 PM

(Open only to CT-MRISP Fellows)

USP Annual Business Meeting

October 20, 2023 (Friday), 03:30 PM

(Open only to USP Fellows)

Joint Induction and Awarding Ceremonies & Annual Convention Fellowship Night

October 20, 2023 (Friday), 05:30 PM

2023 JOINT ANNUAL CONVENTION

SCIENTIFIC PROGRAM

DAY 1 – OCTOBER 19, 2023 (THURSDAY)

06:30 am	REGISTRATION
08:00 am	OPENING CEREMONY
09:00 am - 09:50 am	KEYNOTE LECTURE: Filipino Radiologist in the ASEAN Recognition Agreement - <i>Dr. Jose Y. Cueto, Jr.</i>
10:00 am - 10:30 am	TECHNICAL EXHIBIT RIBBON-CUTTING CEREMONY COFFEE BREAK
10:30 am - 11:00 am	Imaging of Infectious Arthritis - <i>Dr. Melchor R. Basalo</i>
11:00 am - 11:30 am	Basics and Pitfalls of Imaging the Menisci - <i>Dr. Paul E. Perez</i>
11:30 am - 12:00 nn	Ultrasound Imaging of Hemodialysis Access - <i>Dr. Michael Rico B. Mesina</i>
12:00 nn - 01:30 pm	LUNCH BREAK SYMPOSIUM - SIEMENS HEALTHINEERS
01:30 pm - 02:00 pm	Basics of Fusion Imaging - <i>Dr. Leandro C. Manalaysay</i>
02:00 pm - 02:30 pm	Imaging Pitfalls in PET - <i>Dr. Marie Rhiamar R. Sauler-Gomez</i>
02:30 pm - 03:00 pm	PET/CT Imaging of Lymphoma - <i>Dr. Leandro C. Manalaysay</i>
03:00 pm - 03:30 pm	COFFEE BREAK SYMPOSIUM - PHILIPS PHILIPPINES INC.
03:30 pm - 04:00 pm	PET Imaging of the Prostate - <i>Dr. Raneil Joseph F. Bautista</i>
04:30 pm - 05:00 pm	PET Imaging of Nodal Stations - <i>Dr. Asela B. Barroso</i>
05:00 pm	CT - MRI Annual Business Meeting
MODERATORS	Dr. Roger S. De Venecia (AM) & Dr. Lynette R. Fernandez (PM)

2023 JOINT ANNUAL CONVENTION

SCIENTIFIC PROGRAM

DAY 2 – OCTOBER 20, 2023 (FRIDAY)

07:00 am	REGISTRATION
08:00 am - 08:30 am	Liver Elastography in Schistosomiasis - <i>Dr. Ruben S. Berango</i>
08:30 am - 09:00 am	CT and MR Enterography: Imaging Protocol - <i>Dr. Yedaun Lee</i>
09:00 am - 09:30 am	CT and MR Enterography Interpretation in Crohn's Disease - <i>Dr. Jimi Huh</i>
09:30 am - 10:00 am	CT for GI Bleeding and Small Bowel Neoplasm - <i>Dr. Young Seo Cho</i>
10:00 am - 10:30 am	COFFEE BREAK SYMPOSIUM - BAYER PHILIPPINES INC.
10:30 am - 11:00 am	CT for Small Bowel Obstruction and Ischemia - <i>Dr. Kyung Doo Song</i>
11:00 am - 11:30 am	Intestinal Ultrasound - <i>Dr. Hyun Kyung Yang</i>
11:30 am - 12:00 nn	CT Colonography: Technique, Indication, and Interpretation - <i>Dr. Jong Keon Jang</i>
12:00 nn - 01:30 pm	LUNCH BREAK SYMPOSIUM - MEDICOTEK INC.
01:30 pm - 02:00 pm	The Sedentary and Sitting Radiologist: Why we should start to get moving. - <i>Dr. Lucky R. Cuenza</i>
02:00 pm - 02:30 pm	Ultrasound Imaging of Cirrhosis with CT/MRI Correlation - <i>Dr. Berlin Melissa S. Go</i>
02:30 pm - 03:00 pm	Lung Ultrasound - <i>Dr. Joseph Dominic N. Lagman</i>
03:00 pm - 03:30 pm	COFFEE BREAK
03:30 pm	USP Annual Business Meeting
05:30 pm	Joint Induction and Awarding Ceremonies Fellowship Night
MODERATORS	Dr. Tamara Louise J. Razon-Cuenza / Dr. Jin Woong Kim (AM) & Dr. Filipinas R. Rojo (PM)

2023 JOINT ANNUAL CONVENTION

SCIENTIFIC PROGRAM

DAY 3 – OCTOBER 21, 2023 (SATURDAY)

07:00 am	REGISTRATION
08:30 am - 09:00 am	PIRADS - <i>Dr. Bryian P. Paner</i>
09:00 am - 09:30 am	CAD-RADS - <i>Dr. Tamara Louise J. Razon-Cuenza</i>
09:30 am - 10:00 am	COFFEE BREAK
10:00 am - 10:30 am	Fleischner/ LUNG-RADS - <i>Dr. John Michael C. Opeña</i>
10:30 am - 11:00 am	LIRADS - <i>Dr. Michael Salvador Cabato</i>
11:00 am - 11:30 am	K.I.S.S. Evidence-based Investing Strategy - <i>Dr. John Francis Lee Hok</i>
11:30 am - 12:30 pm	LUNCH BREAK
12:30 pm - 01:00 pm	TIRADS - <i>Dr. Mary Nel B. Bolante-Bacalso</i>
01:00 pm - 01:30 pm	BIRADS Updates - <i>Dr. Katleya Teresa A. Gironella-Manlapaz</i>
01:30 pm - 02:00 pm	Gynecologic Ultrasound with MRI Correlation (O-RADS) - <i>Dr. Celeste B. Baldonado</i>
02:00 pm	CLOSING CEREMONIES
MODERATORS	Dr. Rico E. Lodronio (AM) & Dr. Michael Rico B. Mesina (PM)

PAST ANNUAL CONVENTIONS

2022 JOINT ANNUAL CONVENTION ABDOMINAL MERGERS AND ASSOCIATIONS "Multimodality Imaging of Tumors, Inflammation, and Fistulas" October 22 to 23, 2022	2008 JOINT ANNUAL CONVENTION "Expanding and Refining Our Vision" October 9 to 11, 2008 Hyatt Hotel and Casino Manila
2021 JOINT ANNUAL CONVENTION A VIRTUAL CONJOINT SESSION WITH ASIAN OCEANIAN SCHOOL OF RADIOLOGY (AOSOR) "MRI & Ultrasound in Breast Imaging" October 22 to 23, 2021	2007 JOINT ANNUAL CONVENTION "Transcending Borders with Ultrasound, CT and MRI" October 25 to 27, 2007 Centennial Hall, Manila Hotel
2019 JOINT ANNUAL CONVENTION "Basic and Advanced Imaging: Heading Down to Sound Decisions" October 24 to 26, 2019 Fiesta Pavilion, Manila Hotel	2006 JOINT ANNUAL CONVENTION "Experience" October 5 to 7, 2006 Centennial Hall, Manila Hotel
2018 JOINT ANNUAL CONVENTION "Concepts and Trends: Neck and Thoracic Imaging from Diagnosis to Intervention" October 25 to 27, 2018 Fiesta Pavilion, Manila Hotel	2005 CT-MRISP ANNUAL CONVENTION "Tumors in Focus" October 15 to 16, 2005 UST-FMS CME Auditorium, Manila
2017 JOINT ANNUAL CONVENTION "Abdominal Imaging" October 5 to 7, 2017 Fiesta Pavilion, Manila Hotel	2005 USP ANNUAL CONVENTION "Wonders and Challenges of Ultrasound" October 1 to 2, 2005 EDSA Shangrila, Mandaluyong City
2016 JOINT ANNUAL CONVENTION "STAT Radiology: Current Practices in Critical Care Imaging" October 6 to 8, 2016 Fiesta Pavilion, Manila Hotel	2004 JOINT ANNUAL CONVENTION "Gems in Cross-Sectional Imaging and Intervention" October 15 to 17, 2004 EDSA Shangrila, Mandaluyong City
2015 JOINT ANNUAL CONVENTION "Transcending Role of Radiologists in Emergency Imaging" October 15 to 17, 2015 Fiesta Pavilion, Manila Hotel	2003 JOINT ANNUAL CONVENTION "Musculoskeletal and Women's Imaging Embracing New Realities/Forging New Ties" October 11 to 12, 2003 SEAMEO INNTECH, Quezon City
2014 JOINT ANNUAL CONVENTION "Practical Insights in Urogenital and Pelvic Imaging" October 9 to 11, 2014 Fiesta Pavilion, Manila Hotel	2002 USP ANNUAL CONVENTION "Beyond the Gray Scale" October 5 to 6, 2002 Centennial Hall, Manila Hotel
2013 JOINT ANNUAL CONVENTION "Keeping upfront in the Expanding Horizons of Musculoskeletal and Body Imaging" October 17 to 19, 2013 Fiesta Pavilion, Manila Hotel	2002 CT-MRISP ANNUAL CONVENTION "Emerging Horizon in Cancer Imaging" October 12 to 13, 2002 UST-FMS CME Auditorium, Manila
2012 JOINT ANNUAL CONVENTION AND ASIAN OCEANIC SOCIETY OF PEDIATRIC RADIOLOGY (AOSPR) CONGRESS "Problem-Based Approach to Pediatric Medical Imaging" October 18 to 20, 2012 SMX Convention Center, Pasay City	2001 CT-MRISP ANNUAL CONVENTION October 5 to 6, 2001 St. Luke's Medical Center, Quezon City
2011 JOINT ANNUAL CONVENTION "More Than Meets The Eye: Neuro-Ophtha and Vascular Imaging in the New Decade" October 20 to 22, 2011 Centennial Hall, Manila Hotel	2000 CT-MRISP ANNUAL CONVENTION "Current Imaging Practices in CT-MRI Body Imaging" October 2000 UST-FMS CME Auditorium, Manila
2010 JOINT ANNUAL CONVENTION "Translating Abdominal Imaging In Medical Practice" October 21 to 23, 2010 Hyatt Hotel And Casino Manila	1999 CT-MRISP ANNUAL CONVENTION "Essentials in Neuroimaging " October 3, 1999 UST-FMS CME Auditorium, Manila
2009 JOINT ANNUAL CONVENTION "Bracing for the Challenges: Bridging the Gaps in CT, MRI and Ultrasound " October 8 to 10, 2009 Diamond Hotel, Manila	1998 CT-MRISP ANNUAL CONVENTION October 18, 1998 UST-FMS CME Auditorium, Manila

2023 JOINT ANNUAL CONVENTION INDUSTRIAL PARTNERS

SIEMENS Healthineers

NAEOTOM Alpha®
with Quantum Technology
CT redefined.

Courtesy of Erasmus Medical Center, Rotterdam, The Netherlands

The world's first photon-counting CT

NAEOTOM Alpha with Quantum Technology, the world's first photon-counting CT, is nothing less than the reinvention of computed tomography.

Based on the revolutionary direct signal conversion of its QuantaMax detector, NAEOTOM Alpha offers high-resolution images at minimal dose, spectral information in every scan, and improved contrast at lower noise.

Benefit from a range of clinical options and breakthrough consistency never seen before in conventional CT scanners – for potentially scanning previously excluded patients and confident clinical-decision making.

uMR Omega

Think Big

- Innovative technology
- New experience
- Full capability

uCT 960+

- 16cm Coverage Z-detector with high resolution and ultra-low noise
- 0.25s Rotation Speed
- Cardiac Imaging
- AI-empowered technologies
- Comprehensive Clinical Solutions

uCT 780

- Fully integrated Z-Detector
- High precision for imaging chain
- Excellence for cardiac scan
- Coordinated control for fast scan and reconstruction

PERCEIVE MORE.

We know our customers as people. When we say we listen to our customers, we mean more than just hearing what they say. We internalize their needs and respond accordingly - continuing to commit ourselves to new levels of collaboration.

PROVIDE MORE.

We do more for our customers. When they win, we win. We embrace the highest standards of quality and craftsmanship - embedding breakthrough innovations and aesthetic design into each of our products and raising standards across the industry.

ACCESS MORE.

We believe everyone deserves access to the highest quality healthcare. We're committed to making the most innovative, advanced technologies accessible to all people, no matter where they live or where they receive care.

**UNITED
IMAGING**

Shanghai United Imaging Healthcare Co., Ltd. is dedicated to providing, developing and producing high-performance advanced medical imaging, radiotherapy equipment, life science instruments and offers intelligent digital solutions to customers worldwide. UIH is committed to creating more value for our customers and constantly improving the global accessibility of high-end medical equipment and services through in-depth cooperation with hospitals, universities, research institutions, and industry partners.

Spectral CT 7500

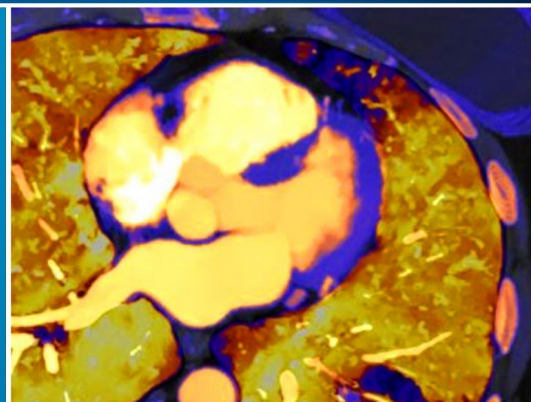

It's not just CT. It's spectral results without compromise.

The new Philips Spectral CT 7500 system is your fast, always on, low-dose path to precision diagnosis. Acquire spectral results within a single exposure, for any clinical procedure, and without special scan modes.

- Simple workflow with spectral results 100% of the time
- Wide range of patients
- Fast time to diagnosis

Discover the difference that spectral-detector CT makes at philips.com/spectralct7500
Together, we make life better.
